

From one of Skiing Magazine's
25 most influential people
in skiing of all time!

Greg Stump Classics

See some of the most influential ski films ever made by the man who introduced extreme skiing to the world in this 4-DVD collection, **Greg Stump Classics**. Stump's *The Blizzard of Aahhh's* masterpiece was what put extreme skiing on the map. Each film features jaw-dropping footage of extreme skiing, interesting characters and entertaining stories set to four unique soundtracks in the way only Greg Stump can do it.

- Four must-have, classic Greg Stump films
- Six hours of amazing footage, crazy stories and wild skiing
- Films include *The Blizzard of Aahhh's*, *Groove: Requiem in the Key of Ski*, *License to Thrill* & *P-Tex, Lies & Duct Tape*
- Featuring skiers Glen Plake, Scot Schmidt and Mike Hatstrup
- Filmed at extreme ski locations around the world, including Val D'Isère, Squaw Valley and Blackcomb
- Four unique soundtracks that include music by The Beastie Boys, Seal, Dinosaur Jr. & more
- Bonus! *Greg Stump and Friends Reunion* featuring Olympic gold medalist Jonny Moseley
