

## Blu-ray multipacks

### From the U.S. National Archives

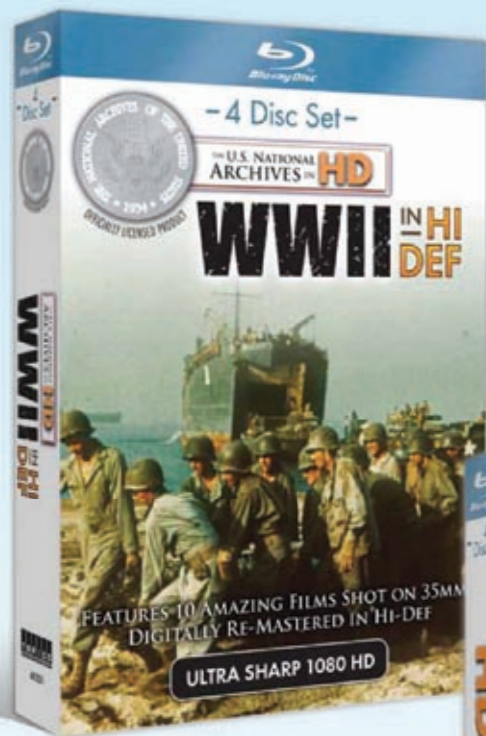

For the first time on Blu-ray, watch some of the most important, most moving films from the U.S. National Archives. See the Nuremberg trials told almost entirely without any editorial comment. Watch John Huston's *Let There Be Light*, hailed as one of the greatest war films ever. And find out what Eisenhower's life was like before he was president.

### Steam, steel and scenery in high definition!

Hear the rumble and practically feel the steam in the 4-disc Blu-ray train collection, *HD Trains*. Hop aboard for picturesque mountain and valley views, seasonal scenery, the comforting sounds of trains and much, much more.

### Includes 4 beautiful full-length Blu-ray travel films!

Experience the dangerous beauty of the Matterhorn in Switzerland. Search for a crocodile god on the Nile in Egypt. Go on a great odyssey in Greece. Discover prosperity in Hong Kong. This exclusive 4-DVD set features travel guru and host of the television series *Adventures with Purpose*, Richard Bangs. Join him on four spectacular high-definition journeys to discover and preserve some of the most beautiful places in the world.
